PAYMENT PROTECTION GUIDE

Most advanced payment monitoring system

The live payment monitoring system allows our CLN Secretariat to capture any late-payment incidences and inform the network of any irregularities. All members are sent with a monthly PDF of the Network Security Agency list, which highlights the updated status of every member. By having this system in place, we can able to greatly reduce the network's exposure to wrong intended forwarders and keep our striving community of forwarders towards the success of each and everyone.

The CLN Security Fund is governed by the following guidelines:

1. Prior to transacting with CLN members, please verify from the network agency list that your partners are in good standing.
2. Send pre-alerts (HAWB, MAWB, and Billing) within 14 days of shipment
3. Agent to submit statement of account (AR/AP) within the first 10 days of each month
4. Members must be updated with membership payables
5. Agent must pass the screening process of CLN
6. Agents must file a late payment report within 45 days after the payment due date with 14 days allowance from the due date. Then, claim report can be filed within 30 days after the due date.
7. Only CLN members are eligible for security claims. Expired member status is not entitled to submit claims to the CLN.
8. The CLN security blanket covers for invoices within a maximum of 45 days before the claim date. CLN does not provide coverage for shipments with payment terms of more than 30 days.
9. Immediate dispute protection is covered to USD 5,000 per member, and will increase to USD 10,000 once you are 3 years with the network. Dispute protection is covered to a maximum amount of USD 20,000 for members that are 5 years and above with the network with a self-participation of 10% claimed amount.
10. The lower coverage of two transacting agents is considered for claiming purposes. Charges that have not been mutually agreed to prior to any shipment are excluded from the payment security.
11. The CLN payment security will only cover up to 50% of the claim amount, if the claiming agent is part of other freight forwarding networks and 0% if both parties (claiming agent and other party) involved are both members of same network outside CLN.
12. The CLN Security Coverage is limited to general cargo and specifically not covering dangerous goods, perishable cargo, personal effect and collect cargo beyond USD 2,000.00. In addition, security coverage is not provided for non-conformance with service levels, shippers/ consignees connected with Internet mail services such as E-Bay, lost or damaged cargo, invoices covered by a CLN member's Errors and Omissions Insurance or other insurance coverage, 3rd party damages, currency exchange fluctuations, goodwill payments, illegal transactions, legal fees or interests.
13. Any single transaction/invoice beyond USD10, 000 is not eligible for claim
14. Security coverage is only granted to members that have attended latest conferences. CLN reserves the right to refuse any claims from members who have not attended the last conference.
15.
